

Spread the word!

The [RESPONSE Campaign: College and University Sponsorship of Refugee Students](#) outlines a path and recommendations for the U.S. to develop, implement, and sustain a university sponsorship program for refugee students. The "RESPONSE" in our campaign name refers to "Refugee Sponsorship for Education" - it's a mission we believe in deeply, one that presents an enormous opportunity for higher education, and a model that can change the lives of refugee students.

We need your help to spread the word about the RESPONSE Campaign! Below find tools and draft posts to help you learn more about the RESPONSE Campaign and how to spread the word to your networks on social media and beyond.
